

**Nassau Airport Development Company Ltd.
Press Statement #3: LPIA Operational Today
12:00 Noon
Wednesday, November 9, 2022**

The Nassau Airport Development Company Ltd. wishes to advise the public that the Lynden Pindling International Airport (LPIA) is operating today, Wednesday, November 9, 2022.

At this time the airport has experienced relatively few flight cancellations as most airline carriers are operating on their normal schedules.

The travelling public is encouraged to contact their respective airlines for flight updates. A listing of all airlines and their contacts can be found on LPIA's website at www.nassaulpia.com.
